McKinley Addresses Congres as to Their Reward.

FINE TRIBUTE TO HOBSON

egultion to be Provided for All the Amercians Who Have Specialty Dis. tluguished Themselves Stace # the War Began.

WASHINGTON, fure 27.—The President today sent two special messages to Congress, providing for recognition of the services of Lieutenant Hobson of the services of Lieutenant Hobson the hero of the Merrimac; of Lieutenant Hobson, which resented the torpedo boat Winsilve at Cardenas, Capitain Hodgeston, of the dispatch boat McChilouch, which figured in the battle at Manila, and Navai Cadet Joseph Wright Powell, who held the steam iaunch under the buffs at Santiagoharbor searching for the craw of the Merrimac, Authority is asked of the Senate for the transfer of Bobson from the construction corps to the line of the Authority given he will by and attending and the President amountees that with authority given he will by and ate, suitably advance Hobson in the line. The Hudson's crew are to be given a vote of thanks and medials of commemoration. Capitain Hodgeston is to essibly recognized. The President mentioning Hobson, cites the fact that the message in relation to Hobson Promoted.

the crew with him already have been promoted.

The message in relation to Hobson was as follows:

"To the Congress of the United States." On the morning of the third of June, 1838, Assistant Navad Constructor Replacements of the West of the Congress of the United States. "On the morning of the third of June, 1838, Assistant Navad Constructor Replacements of the partially dismantled collect Meritage of the partially dismantled collect Meritage, entered the fortified harbor of Santage de Cuba for the purpose of Santage de Cuba for the marrowest portion of the charbor harbor. This enterprise, demanding coolines, judgment and bravery amounting to heroson, was carried into successful execution in the face of a persistent fire from the bost carried into successful execution in the face of a persistent fire from the bost life fleet, as well as from the fortifications on shore.

Rear Admiral Sampson, commander in chief of our naval force in Cuban waters, in an official report dated for Santago de Cuba, June 21, 1882, and addressed to the secretary of the navy referring to Mr. Hobson's gallant exploit, says:

"As stated in a recent telegram, be-

Santingo de Cuba, June II, 1838, and addressed to the secretary of the navy referring to Mr. Hobson's gallant exploit, says:

"As stated in a recent relegran, before coming here I decided to make the harbor entrance secure against the pessibility of egress of the shear of parts of the neutrone by sinking a collier at the point. Upon earling upon Mr. Hobson for his professional opinion as to a susmethod of sinking the ship he manifested a most lively interest in the problem. After several days' consideration he presented a solution which he considered would ensure the immediate sinking of would ensure the immediate sinking of the ship when she had a hardered the desired point in the channel, "The plan contemplated in crew of only ged that it might be entrusted to him. As soon as I reached Santiago and had the collier to work upon 'be details were commenced and dilleently prosecuted, hoping to complete them in ome day, as the moon and the tide served best the first night after our arrival. Notwithstanding every effort the hour of 4 o'clock in the morning arrival work, as the moon and the tide served best the first night after our arrival morning, as duen was breaking. Hobson begged to relinquish the plan for that morning, as duen was breaking. Hobson begged to try it at all hazards.

"This morning proved more propinious, as a prompt start count be made. Nothing could have been more propinious, as a prompt start count be made. Nothing could have been more propinious, as a prompt start count be made. Nothing could have been more propinious, as a prompt start count be made. Nothing could have been more propinious, as a prompt start count be made. Nothing could have been more propinious, as a prompt start count be made. Nothing could have been more propinious, as a prompt start count be made. Nothing could have been more propinious, as a prompt start count be made. "Cushing, with whose gallantry in blowing up the ram" "Albemarle," during the civil war. Admiral Sampson ing the civil war. Admiral Sampson compares Mr. Hobson's sinking of the Merrimac, received the thanks of Compared to the Merrimac, received the thanks of Congress upon recommendation of the President, by name, and was in consequence, under the provision of section 1598 of the Fevised Statutes, advanced one grade, such advancement embracing 56 members. The section ched applies, however, to line officers only, and Mr. Hobson, being a member of the staff of the navy, could not under its provisions be so advanced. "In considering the question of suitably rewarding Assistant Naval Censtructor Hobson for his gallant conduct on the occasion referred to, I have deemed it proper to address this message to you, with the recommendation that he reseive the thanks of Congress, and, further, that he be transferred to the line of the

that he reserve the (hanks of Congress, and, further, that he be transferred to the line of the navy and promoted to such position therein as the President, by and with the advice and consent of the Senate, may determine. Mr. Hobson's transfer from the construction corps to the line is fully warranted, he having received the necessary technical training as a graduate of the naval academy, where he stood number one in his class, and such action is recommended, partly in deference to what is understood to be his own desire, although he, being now a prisoner in the hands of the enemy, no direct communication on the subject has been received from him, and partly for the reason that the abilities displayed by him at Santiago are of such character as to indicate expectal fitness for the duties of the line.

him at Santingo are of such character as to indicate expecial filness for the duties of the line.

"WHILIAM M'KINLEY,
"Executive Mansion, June 27, 1888."
In the second message the President recounts the story of the conflict in the lay of Cardenas, Cuba, on May 11th, in which the naval torpedo best Winslow was disabled, her commander wounded and one of her officers and a part of her crew killed by the enemy's fire, and continues:
"In the face of a most galling fire.

erew Rilled by the enemy's fire, and continues:

"In the face of a most galling for from the enemy's guns the revenue cutter Hudson, commanded by First Lightenant Frank H. Newcomis, It's revenue cutter service, received the disabled Winslow, her woomed commander and remaining crew. The commander of the Hudson kept his vessel in the very hottest fire of the action, although in constant danger of going ashore on account of the shallow water, until he finally got a limin made fast to the Winslow and towed that vessel out of range of the enemy's guns, a deed of especial gallantry.

"I recommend that in recognition of the signal act of heroism of First Lieu-

CAN'T OBTAIN COAL.

PORT SAID, June 27.—Admiral Camera's famous Cadiz fleet is here, but as it is unable to obtain coal may be unable to continue on its journey. The admiral asked for permission to purchase 19,000 tons of fuel, but the Egyptian government refused to permit him to coal in Egyptian waters. The discipline on the ships is very rigid and once of the seamen are allowed to leave the vessels of the squadron.

MISS LONG AS A NURSE.

Daughter of the Secretary of the Navy in Red Cross Service.

(New York Herald.)

For the first time since the civil war the grim walls of the naval hospitals adjoining the New York navy yard harbor ministering angels in the guise of white robed nurses. For more than a week the staff of male nurses has been augmented by four bright faced young women, all eager to serve their country by attending to the wants of linele Sam's gallant tars who are laid up for repairs.

Coachman—I am going to leave, sir. can't stand the missus. Employer—Too strict, is she?
Coachman—Yes, sir. She keeps forgetting that I can leave at any time, and worries me about just as if I was

HEROES OF CARDENAS.

in the War With spain.

Ensign Worth Bagley was born and reared in Raleigh, N. C. He came of good American stock. His grandfather was Jonathan Worth, Governor of North Carolina. His father, W. H. Bagley, was for twenty years Clerk of the Supreme Court of that State. Worth Bagley was born in 1874, and received his earlier education at the Raleigh Academy. After a competitive examination he was appointed to the Naval Academy in 1891, and was graduated four years later.

Having served on the Maine until Nov. 23, 1897, young Bagley was ordered to the Columbian Iron Works. Baltimore, on duty in connection with
